This certificate can be verified at the above URL.
The certificate remains the property of Universal Registrars, to whom it must be returned on request. Lack of fulfilment of certification terms and conditions at all times, may render this certificate invalid.

Quality Standards & Certification

The Company works to an Integrated Management System (IMS) and the communication is ISO 9001: 2015 certified.

The company maintains high technical standards and a commitment to excellence in all management and administration tasks.

Health & Safety :

- Blue Rectangle Interior Decoration L.L.C. is committed to health, safety and the protection of the environment.
- We are committed to ensure the health, safety and welfare of our employees, contractors and visitors.
- We also recognize that health and safety should be given equal importance as quality and performance while the execution of work or when the job is taken under consideration.
- We provide H&S information focusing on training, supervision, plant and equipment as necessary, and to identify, eliminate or control hazards and risks at the workplace.

- We set and maintain high standards of health and safety, which aim to match or exceed the current industry best practices.
- We meet these commitments by implementing a comprehensive health and safety management system and continually improving both the system itself and our performance in accordance with the principles.
- We aim to meet all occupational health and safety legislation and guidelines relevant to the company and in most cases, we far exceed to requirements, in order to prevent injury and ill health.
- In order for the company to operate to the documented management system across all business functions, we strive to provide sufficient resources and equipment. We also ensure assistance, so that the client can conform to the requirements and norms of health and safety acts which are in accordance to the nature and scale of the company's occupational health and safety risks.

Quality Assurance

Blue Rectangle Interior Decoration L.L.C has set the achievement of customer satisfaction and trust as its primary goal. It also recognizes that the best way to achieve this goal, is to provide the products, support, and service, that meet customers' requirements and expectations.

The company works to an Integrated Management System (IMS), meeting the requirements of International Standard ISO 9001: 2015, which assist the Company in maintaining high technical standards and a commitment to excellence in all management and administration tasks.

The company's policies are:

- To carry out all work to high standards and to always meet or exceed the requirements of the contract and any relevant statutory regulation.
- To respond promptly and effectively to customer's requests for assistance.
- To include quantifiable quality objectives in the methods used to achieve the quality goal.
- To implement a quality assurance and supervision system, that includes methods for supervising suppliers and raw materials, control of production processes and final quality inspections, and assignment of responsibility and implementation of procedures.
- To respond positively to our clients needs by ensuring that we operate as an effective competent team, through open & honest communication.
